

Testing file saving and printing in BugPad 1.0

##	Описание	Ожидаемый результат	Результат/Комментарий
	The test case is designed to check saving and printing of text files in the BugPad v1.0 program.		
1.	Start. Initial state: the program is running. No files are open.	Main program window title - Untitled - BugPad v1.0	Successful
2.	Select the File main menu item and select Open from the drop-down menu.	A new "Open" window opens with a selection of files.	Successful
3.	In the Open form, select the Readme.txt file and click the Open button.	The program window title should change to ReadMe.txt – BugPad v1.0	Successful
4.	Select the File main menu item and select Save from the drop-down menu.	The window title will not change and remains ReadMe.txt – BugPad v1.0	Successful
5.	Select the File main menu item and choose Save As from the drop-down menu.	A Save As window should open allowing you to select existing files.	Successful
6.	In the Save As form, enter the file name readme_modified and click Save.	The program window title should change to readme_modified.txt – BugPad v1.0.	Successful
7.	Select the File main menu item and select Page Setup from the drop-down menu.	The Page Setup form is open.	Successful
8.	In the Page Setup form, change Orientation to Landscape and click Cancel.	The Page Setup form is closed. The main program window is active. The readme_modified.txt file title is BugPad v1.0.	Successful
9.	Repeat steps 7 and 8, but instead of clicking Cancel in step 8, click OK.	The Page Setup form is closed. The main program window is active. The readme_modified.txt file title is BugPad v1.0.	Successful/looks like nothing has changed
10.	Select the File main menu item and select Print from the drop-down menu.	The Print form is open.	Successfully
11.	In the Print form, select Microsoft Print to PDF	Microsoft Print to PDF selected	Successfully
12.	In the Print form, click the OK button.	The Print form is closed. The main program window is active. The readme_modified.txt header is BugPad v1.0.	The file has been printed.
